November 3, 2015

To the Board of Directors
Angelina & Neches River Authority

We have audited the financial statements of the Angelina & Neches River Authority ("ANRA") for the year ended August 31, 2015. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 26, 2015. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by ANRA are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2015. We noted no transactions entered into by the governmental unit during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate(s) affecting the financial statements was:

Management's estimate of the depreciation expense and related accumulated depreciation is based on the useful lives of fixed assets. We evaluated the key factors and assumptions used to develop the depreciation expense in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole. Copies of all adjustments are included as an attachment to this letter.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated November 3, 2015.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the governmental unit's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the governmental unit's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

With respect to internal processes, we would recommend the following procedures be implemented to strengthen the overall effectiveness of the accounting and IT areas for the Authority:

- The Company has just one IT specialist who is qualified to perform IT activities. Other personnel, including management personnel, do not feel comfortable handling IT-related matters and thus tend to leave them up to the IT specialist. As a result, initiation, processing, and approval of IT activities that should be separated all reside with the IT specialist. We believe that even though management is not specifically trained in IT matters, an executive level manager could effectively review the IT specialist's activities on a random basis. For example, a manager could periodically review IT activity and exception reports. Such review could mitigate the control weakness resulting from the lack of separation of IT duties. Based on the size of the organization, we recognize it is not economically feasible to have additional personnel on the IT staff, but we are required to bring the matter to the attention of the board.
- At present, the Company's Accounting Manager is responsible for all accounting functions. She is responsible for cash disbursements, payroll, accruals, all journal entries, and financial statement preparation. Additionally, all bank statements are received by the Accounting Manager but opened by accounting personnel. We recommend that monthly transactions be reviewed by a member of management. Specifically, all journal entries and monthly financial statement balances should be reviewed by someone who can determine whether balances are reasonable. Additionally, bank statements should be received by management or someone independent of cash disbursements, and canceled checks should be reviewed for unusual items.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Board of Directors and management of ANRA and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Jansen and Gregorczyk

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
City of Lufkin, Texas

We have audited the accompanying comparative financial statements of the Angelina & Neches River Authority (the "Authority") of Lufkin, Texas as of and for the years ended August 31, 2015 and 2014, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Angelina & Neches River Authority as of August 31, 2015 and 2014 and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4-7 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The introductory section, combining and individual fund financial statements, and supplemental section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplementary schedule sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Kyle, Texas
November 3, 2015

MANAGEMENT'S DISCUSSION AND ANALYSIS
AUGUST 31, 2015 and 2014

Our discussion and analysis of the Angelina & Neches River Authority (the Authority) financial performance provides an overview of the Authority's financial activities for the years ended August 31, 2015 and 2014. This discussion and analysis is intended to serve as an introduction to the Authority's basic financial statements, which have the following components: (1) management's discussion and analysis (MD&A), (2) basic financial statements, (3) notes to the financial statements, (4) budget comparison and (5) supplemental schedules. Please read it in conjunction with the Authority's financial statements, which follow this section.

FINANCIAL HIGHLIGHTS

- During the year, the Authority had operating expenses of \$2,240,469 compared to total non-operating expenses of \$238,818 and operating revenues of \$2,694,461 and non-operating revenues of \$82,870, resulting in a combined increase in net assets of \$298,047 for the year ended August 31, 2015.
- The Authority's total cash and investments increased \$42,058 from the previous year.
- The Authority's fixed assets (net of accumulated depreciation) increased \$14,890.

Explanation of the Financial Statements

The MD&A is intended to serve as an introduction to the basic financial statements of the Authority. The basic financial statements are comprised of two components: 1) basic financial statements, and 2) notes to the financial statements. This report also contains other required supplementary information (RSI) in addition to the basic financial statements and additional supplemental schedules.

Basic Financial Statements

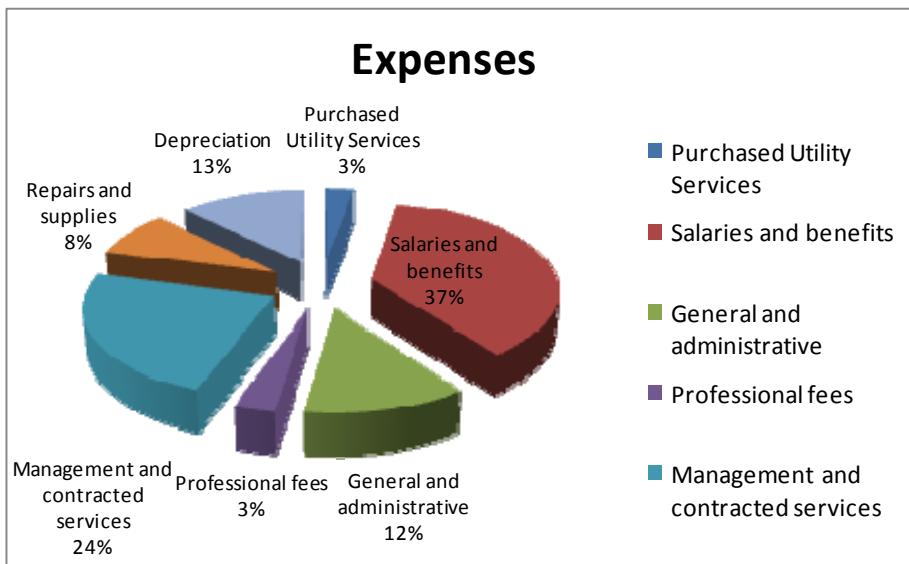

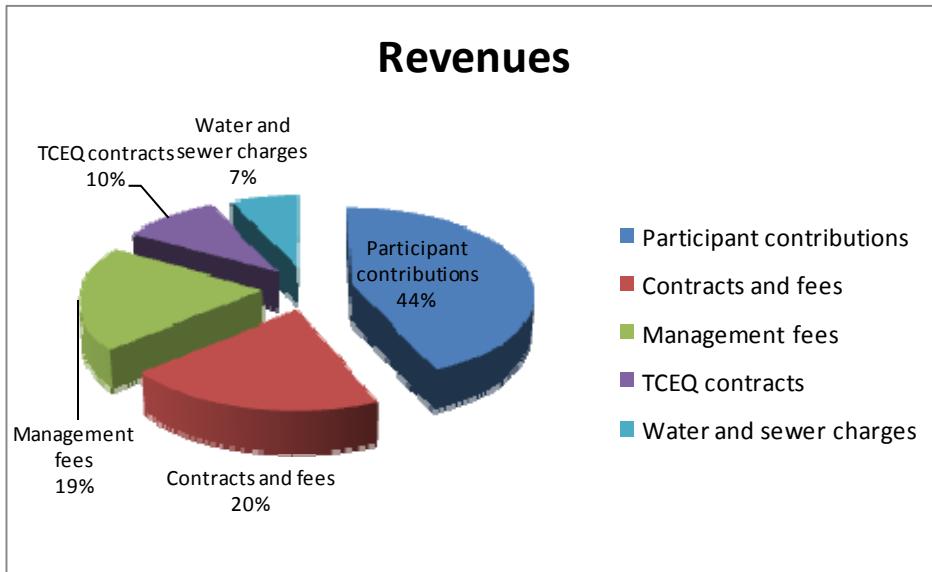

The basic financial statements include the Statements of Net Position, the Statements of Revenue, Expenses and Changes in Net Position, and the Statements of Cash Flows that present information for the Authority as a whole and provide an indication of the Authority's financial health. The financial statements are presented as a single Enterprise Fund using the accrual basis of accounting.

The Statements of Net Position report the current and noncurrent assets and liabilities for the Authority as well as delineating the restricted assets from assets to be used for general purposes. The Statements of Revenue, Expenses and Changes in Net Position report all of the revenues and expenses during the time periods indicated. The Statements of Cash Flows report the cash provided and used by operating activities, as well as other cash sources such as investment income and cash payments for repayment of bonds and capital additions.

The Authority, as of August 31, 2015 has five funds – ANRA Operations, Holmwood Utilities, Lake Columbia Preconstruction, Neches Compost Facility and North Angelina County Regional Wastewater Facility. All of these funds together comprise the Basic Financial Statements and none of the funds independently depend on governmental funds as a major source of revenue. Therefore, all of the funds are presented in a combined financial statement. The supplement schedules portion of the report includes a Statement of Net Assets, Statement of Revenue, Expenses and changes in Net Position and Statement of Cash Flow by fund.

The Authority as a Whole

The Authority's net assets increased by \$298,047 in the year ended August 31, 2015. Table 1 and Table 2 below reflect the net assets and changes in net assets of the Authority.

The Authority has sufficient revenues to pay expenses of the Authority.

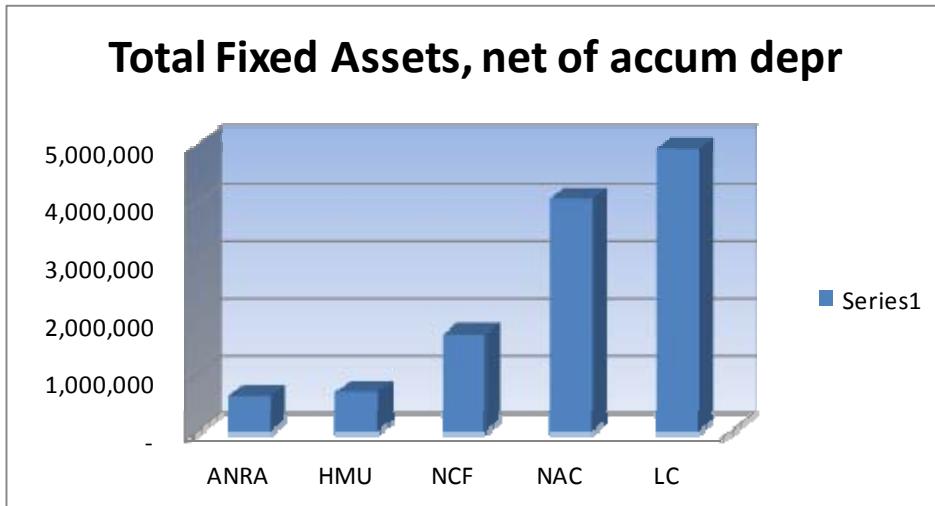

Budgetary Highlights

The Board of Directors did make changes to the budget during the year. The analysis of the budget is reflected on the Budgetary Comparison Schedule following the Notes to the Financial Statement

Capital Asset and Debt Administration

Capital Assets

Net capital assets increased from \$8,773,776 to \$8,788,666, an increase of \$14,890. The increase is primarily the result of additions to Construction Work in Progress and the purchase of land and higher accumulated depreciation. Changes to fixed assets were additions to the treatment facilities of \$26,590 and machinery and equipment of \$5,695. There were also Leasehold Improvements in the amount of \$7,767. Construction work in progress was \$5,140,515 at August 31, 2015.

A portion of the Authority's net assets, 86%, reflects its investments in capital asset (land, water and sewer system), less any debt used to acquire those assets that are still outstanding. The Authority uses these capital assets to provide services to customers; consequently, these assets are not available for future spending. Although the Authority's investment in its capital assets is reported net of related debt, it is important to note that the funds needed to repay this debt must be provided from other sources, since the assets themselves cannot be used to eliminate these liabilities.

Long-term Debt

The Authority's long-term debt at August 31, 2015, net of the current portion, totaled \$6,500,820 for leases payable and revenue bonds. The current portion of the long-term debt was \$306,393. Long-term debt activity for the year consisted of principal and interest payments on this note. Long term debt had a net decrease of \$314,158 during the period. Detailed information is included in the Notes to the Financial Statements.

Economic Factors and Next Year's Budgets

The Authority continues to seek and apply for grants to assist in research, development and planning for their facilities.

Contacting the Authority's Financial Management

This financial report is designed to provide the legislators, state officials, customers, bond holders and citizens of the State of Texas and other interested parties with a general overview of the Authority's finances and to show the Authority's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Authority's Management office at:

Mr. Kelley Holcomb, General Manager (936)633-7543

ANGELINA & NECHES RIVER AUTHORITY

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended August 31, 2015 and 2014

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Angelina & Neches River Authority (the “Authority”) have been prepared in conformity with generally accepted accounting principles (“GAAP”) as applied to governmental units. The Governmental Accounting Standards Board is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Authority applies all GASB pronouncements. The more significant of the Authority’s accounting policies are described below.

Reporting Entity:

The Authority (formerly the Sabine-Neches Conservation District and the Neches River Conservation District) was created as a governmental agency to construct, maintain, and operate, in the valley of the Neches River and its tributaries, all works essential to the control, storage, preservation, and distribution to all useful purposes of water in the Neches River - (Article 8280-108, Vernon’s Texas Civil Statutes, amended in 1977 by an Act of the Legislature of the State of Texas). The Authority is governed by a nine-member board appointed by the Governor of Texas to six year terms. The Directors are residents of the Neches River basin and one third of the Board is appointed every two years. The board sets policy, provides oversight, and employs a General Manager.

Management has determined that there are no other entities that meet the criteria for inclusion in the Authority’s reporting entity. The Authority is a separate self-supporting governmental unit with no taxing powers covering all or a portion of the counties in the Neches Basin. The Authority is not included in any other governmental reporting entity. The Authority is in compliance with the requirements of Texas Water Codes 49.191, Duty to Audit, and 49.199, Policies and Audits of Districts.

Fund Financial Statements:

GASB 34 requires special purpose governments engaged only in business-type activities to present only the financial statements required for Enterprise Funds. For these governments, basic financial statements and required supplementary information consist of a Management Discussion and Analysis (“MD&A”), Enterprise Fund financial statements, notes to financial statements and required supplementary information other than MD&A, if applicable.

Required fund financial statements include a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Fund Net Position, and a Statement of Cash Flows.

Basis of Accounting

The Authority’s basic financial statements are presented as a single Enterprise Fund. This Enterprise Fund accounts for the acquisition, operation and maintenance of Authority facilities and services and is accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities

associated with the operation of this fund are included on the balance sheet. The Enterprise Fund is accounted for using the accrual basis of accounting. Its revenue is recognized when it is earned, and its expenses are recognized when they are incurred.

The Authority distinguishes between operating and non-operating revenues and expenses consistently with the criteria used to identify cash flows from operating activities in the Statement of Cash Flows. Generally, the Authority classifies revenues generated from water sales, wastewater treatment services, and related activities and services as operating revenues. Operation and maintenance and depreciation are classified as operating expenses. All other income and expenses, including investment income, interest expense, gain/loss on the sale of capital assets and impairment loss are considered non-operating activity.

Assets, Deferred Outflows (Inflows) of Resources, Liabilities and Net Position

Cash and Cash Equivalents: Cash and cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash and so near maturity that there is no significant risk of changes in value due to changes in interest rates. Cash equivalents include investments with original maturities of three months or less. Cash equivalents are stated at cost which approximates fair value.

Investments: Investments with quoted fair values are carried at the reported sales price on the last day of the Authority's year and are recorded at fair value in the balance sheet. Certificates of deposit are stated at cost due to their short-term maturities. All investments, financial disclosures, quarterly reporting, and annual adoption are compliant with Texas Government Code, Title 10, Chapter 2256 (the Public funds Investment Act).

Accounts Receivable: The Authority uses the direct charge off method to account for bad debts, directly expensing receivables which management deems uncollectible, or realizable at less than full value. This method provides results similar to the reserve method in all material respects. The Authority considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is recorded.

Capital Assets: Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., water lines, sewer lines, and storm sewer), are reported in the financial statements. Moveable capital assets with an initial individual cost of more than \$5,000 and an estimated useful life in excess of two years are capitalized. Plant and property with a cost of greater than \$25,000 are capitalized. Donated assets are recorded at estimated fair market value at the date of donation. Major outlays for capital assets and improvements are capitalized as projects when constructed. Interest costs incurred in connection with the construction of capital assets are not capitalized when the effects of capitalization materially impact the financial statements due to the uncertainty of the Lake Columbia project. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized.

Property, plant, and equipment are depreciated using the straight-line method over the following estimated useful years:

Asset Description	Estimated Useful Life – Years
Vehicles	5 years
Equipment	10- 20 years
Utility Plant	20-30 years

Restricted Assets: The restricted assets consist of bond reserve funds and sinking funds on various revenue bonds and funds designated by the Board of Directors. The bond reserve and sinking funds are segregated as required by certain bond indentures.

Sick Leave and Vacation: The Authority allows employees to accumulate sick leave. Pursuant to Governmental Accounting Standards Board pronouncements, the Authority does not accrue sick leave rights since these rights are nonvesting. The Authority does accrue vacation benefits in its financial statements in accordance with generally accepted accounting principles.

Deferred Outflows/Inflows of Resources: In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

The Authority does not have any items that qualify for reporting in either of the above categories in the current year.

Subsequent Events: The Authority has evaluated subsequent events as of November 3, 2015 the date the financial statements were available to be issued.

NOTE 2 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Budgets and Budgetary Accounting

The Authority prepares a budget in accordance with The Water Code, Chapter 49, Subchapter G, and Section 49.199 for use in planning and controlling costs. The budget and any changes are approved by the Board of Directors.

The budget is adopted on a basis consistent with generally accepted accounting principles. The General Manager is authorized by the Board to transfer budgeted amounts between accounts, but any revisions that alter the total Expenses must be approved by the Board. Appropriate sections of the budget are approved by Neches Compost Facility Management Committee, which has limited authority, prior to final approval of the Authority Board of Directors.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Accordingly, actual results could differ from those estimates.

NOTE 3 – DETAILED NOTES ON ALL FUNDS

Deposits and Investments

Investment Policies: Applicable state laws and regulations allow the Authority to invest its funds in direct or indirect obligations of the United States, the state, or any county, city, school district, or other political subdivision of the state. Funds may also be placed in certificates of deposit of state or national banks or savings and loan associations (depository institutions) domiciled within the state. Related state statutes and provisions included in the Authority's bond resolutions require that all funds invested in depository institutions be guaranteed by federal depository insurance and/or be secured in the manner provided by law for the security of public funds.

Custodial Credit Risk – Deposits: In the case of deposits, there is the risk that in the event of a bank failure, the Authority's deposits may not be returned to it. The Authority's investment policy requires funds on deposit at the depository bank to be collateralized by securities. As of August 31, 2015, all of the Authority's \$1,212,186 deposit balance was collateralized with securities held by the pledging financial institution.

NOTE 3 – CAPITAL ASSETS

Capital asset activity for the year ended August 31, 2015, was as follows:

	Balance 8/31/2014	Additions	Retirements	Balance 8/31/2015
Capital assets not being depreciated:				
Land	\$ 483,790	\$ 58,191	\$ -	\$ 541,981
Construction Work in Progress	<u>4,940,447</u>	200,068	-	<u>5,140,515</u>
Total capital assets not being depreciated	<u>5,424,237</u>	258,259	-	<u>5,682,496</u>
Other capital assets:				
Treatment Facilities	4,915,395	26,590	-	4,941,985
Machinery and equipment	1,458,032	5,695	-	1,463,727
Improvements	<u>-</u>	7,767	-	<u>7,767</u>
Total other capital assets	<u>6,373,427</u>	40,052	-	<u>6,413,479</u>
Less accumulated depreciation	<u>(3,023,890)</u>	<u>(283,419)</u>	<u>-</u>	<u>(3,307,309)</u>
TOTALS	<u>\$ 8,773,774</u>	<u>\$ 14,892</u>	<u>\$ -</u>	<u>\$ 8,788,666</u>

NOTE 4 – COMPENSATED EMPLOYEE ABSENCES

It is the Authority's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. Employees with more than fifteen years of employment with ANRA are allowed to receive payment for sick leave Benefits at a rate of $\frac{1}{2}$ half of the accrued value upon retirement. Accumulations of sick pay benefits are not paid to employees after termination of employment. Only amounts of vacation accumulated may be paid to employees upon termination of employment or during employment in accordance with the Authority's personnel policy. The estimated amount of compensation for accrued unused vacation leave benefits that is expected to be liquidated with expendable available financial resources is reported as an expense. The total liability as of August 31, 2015 is \$25,345.

NOTE 5 – LONG-TERM DEBT

The following is a summary of changes in the Authority's long-term liabilities for the year ended August 31, 2015:

Fund	Balance 8/31/14	Additions	Retirements	Balance 8/31/15	Due w/in 1 year	L/T Liab Balance
Leases Payable

	<u>6,468,470</u>	<u>40,664</u>	<u>(317,275)</u>	<u>6,191,858</u>	<u>241,800</u>	<u>5,950,058</u>
Totals	\$ 6,814,980	\$ 40,664	\$ (354,821)	\$ 6,500,822	\$ 241,800	\$ 6,259,022

Future payments are as follows: (excludes deferred interest and loan forgiveness)

Year Ending August 31	Bonds Payable			
	Principal	Interest	Deferred	Total
2016	261,800	172,947	-	434,747
2017	268,400	202,886	47,812	519,098
2018	275,000	194,485	47,812	517,297
2019	290,400	185,814	47,812	524,026
2020	296,800	176,550	47,812	521,162
2021-2025	1,651,800	653,938	143,436	2,449,174
2026-2030	845,000	267,102	-	1,112,102
2031-2035	370,000	146,960	-	516,960
2036-2040	280,000	33,387	-	313,387
2041-2045	-	-	-	-
2046-2050	734,000	711,613	731,945	2,177,558
	<u>\$ 5,273,200</u>	<u>\$ 2,745,682</u>	<u>\$ 1,066,629</u>	<u>\$ 9,085,511</u>

Revenue bonds at year end were comprised of the following debt issues:

Description	Interest Rates	Balance at 8/31/2015
Revenue bonds series 2012 (Holmwood Utilities)	3.47%	\$ 430,000
Revenue bonds series 2005 (Lake Columbia)TWDB	5.68%-5.83%	297,884
Revenue bonds series 2005 (Lake Columbia)TWDB	5.68%-5.83%	1,066,860
Revenue bonds series 2009 (Lake Columbia)TWDB	5.40%	957,653
Revenue bonds series 2012 (North Angelina County)	4.15%-4.65%	2,405,000
Revenue bonds series 2014 (North Angelina County)	.0% - 2.05%	205,000
Revenue bonds series 2014 (North Angelina County -Loan Forgiveness)		360,261
Revenue refunding bonds series 2014 (Neches Compost - Tax Exempt)	3.05%	407,300
Revenue refunding bonds series 2014 (Neches Compost - Taxable)	5.50%	61,900
		<u>\$ 6,191,858</u>

The Authority secured debt from Texas Water Development Board in connection with a wastewater system improvements project. The total loan is \$674,013 from the Clean Water State Revolving Fund (CWSRF). \$469,013 is in the form of loan forgiveness and \$205,000 is in the form of revenue bonds as indicated in the above schedule.

The Authority is obligated to maintain Interest and Sinking Fund accounts for all Texas Water Development Board bonds and is in compliance with those bond covenant mandates.

Future minimum lease payments under capital leases are as follows:

Year Ending August 31,	
2016	19,683
2017	19,683
2018	16,991
2019	9,526
Thereafter	<u>7,939</u>
Total minimum lease payments	73,822

The Authority's net investment in direct financing leases consists of the following:

Total minimum future lease payments	73,822
Executory costs and related profit	-
Minimum lease payments	<u>73,822</u>
Allowance for uncollectible payments	-
Net minimum lease payments	<u>73,822</u>
Estimated unguaranteed residual value of leased asset	-
Unearned income	(16,224)
Initial direct costs	-
Net investment in direct financing leases	\$ <u>57,598</u>

NOTE 6 – AGREEMENTS TO ISSUE INDUSTRIAL DEVELOPMENT AND POLLUTION CONTROL BONDS

The ANRAIDC is a separate entity. The Authority is not liable for any of this debt.

Industrial Revenue Bonds

Description	Date of Issue	Date of Maturity	Interest Rate	Amount Authorized and Issued	Cumulative Amount Retired	Balance August 31, 2015
Aspen Power LLC						
Environmental Facility Revenue						
Bonds, Series 2007A	5/10/2007	11/1/2029	variable	45,970,000	-	45,970,000
Aspen Power LLC						
Environmental Facility Revenue						
Bonds, Taxable Series 2007B	5/10/2007	11/1/2017	variable	4,130,000 \$ 50,100,000	- \$ -	4,130,000 \$ 50,100,000

NOTE 7 – RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the Authority carries commercial insurance. The Authority has not significantly reduced insurance coverage or had settlements that exceeded coverage amounts for the past three fiscal years.

NOTE 8 – DEFINED CONTRIBUTION PLAN

Defined Contribution Pension Plan

The Authority provides pension benefits for all of its eligible employees through the Angelina & Neches River Authority Profit Sharing Plan (the “Plan”), a defined contribution plan. The effective date of the plan was September 1, 1992 and the Plan begins on September 1 and ends on August 31. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. The Plan is a qualified pension plan under Section 401(a) of the Internal Revenue Code with First Bank & Trust of East Texas serving as the Plan Administrator.

The Plan provides that the Authority make a contribution. The Authority contributed \$20,073 to the Plan for the year ended August 31, 2015. The Authority’s contributions will be allocated to the Profit Sharing Contribution Account of each eligible participant on behalf of which the contribution has been made. The Authority’s contributions for each employee (and investment earnings allocated to the employee’s account) are partially vested after two (2) years and fully vested after six (6) years of service. The Authority began monthly contributions to this fund of 3% of eligible employees’ salary in June 2000. The Authority’s contributions for investment earnings forfeited by employees who leave employment before six (6) years of service will be used first, when required, to restore forfeited account balances for reemployed participants and any remaining amounts will be added to the employer’s profit sharing contribution for the Plan Year in which the forfeiture occurred.

The total assets in the plan as of August 31, 2015 are \$173,537.

The asset allocation breakdown is as follows:

FUND	Percentage Invested	Fund Balance
Federated Government Obligations	6.39%	\$ 11,088
BMW Bank Utah CD	5.85%	10,157
Cit Bank Salt Lake City UT CD	5.82%	10,093
Goldman Sachs Bank CD	5.84%	10,129
Goldman Sachs BK USA NY NY	2.88%	4,994
Goldman Sachs BK CD	2.84%	4,935
Federal Home Loan Bank	11.52%	19,985
Dodge & Cox Income FD	2.82%	4,901
Federated GNMA Tr	2.56%	4,442
USAA Short Term Bond Fund	1.63%	2,836
Vanguard BD Index Fd Inc. Admiral	1.24%	2,153
Vanguard Inter Term	2.13%	3,691
Vanguard Short Term	0.05%	85
Vanguard Short Term Federal Fund #49	0.43%	738
Dodge & Cox Funds	0.92%	1,590
Fidelity Contrafund Inc	3.27%	5,676
Fidelity Mt Vernon Str	4.53%	7,867
Fidelity Puritan TR	4.47%	7,757
Meridian FD Inc.	1.53%	2,649
Rowe T Price Mid-Cap	3.06%	5,313
Vang World Fd Intl	1.78%	3,094
Vang Small Cap Gr	4.94%	8,565
Vang Emerging Market	1.55%	2,692
Vanguard Extended Market	5.94%	10,301
Vanguard 500 Index Fund	16.02%	27,806
TOTAL ALL FUNDS		<u>\$ 173,537</u>

Deferred Compensation Plan

The Authority maintains a deferred compensation plan, which is available to all employees. The plan complies with Section 457 of the Internal Revenue Code (Deferred Compensation Plans with Respect to Service for State and Local Governments). ICMA RC is the independent administrator of the plan. The plan consists solely of employee contributions which are tax deferred. The total contributions to the plan during the year were \$6,750. Payments are made to Vantage Point Transfer Agents.

NOTE 9 – ANGELINA COUNTY FRESH WATER SUPPLY DISTRICT No. 1

The Authority serves as the manager and operator for Angelina County Fresh Water Supply District No. 1 (the “District”). As the manager and operator, the Authority bills and receives payments for all water and sewer charges of the District and deposits them into the bank account of the District. This bank account and receivables are assets of the District, a legally separate entity from ANRA. However, the Authority maintains the financial records of the District’s utility operations. In addition, the District has the sole responsibility for rate setting as it applies to the District.

The contract between the Authority and the District is in place for an initial term of ten years, with additional ten year renewal options up to a total of 100 years. During the term of the contract, the Authority has the sole and exclusive use, possession and control of the water and sewer system, and has the ability to use all revenues (except for taxes) arising from these systems.

NOTE 10 – COMMITMENTS AND CONTINGENCIES

Amounts received or receivable from granting agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amounts of expenditures which may be disallowed by the grantor cannot be determined at this time although the Authority expects such amounts, if any, to be immaterial.

The Authority is subject to various other claims and lawsuits which may arise in the ordinary course of business. After consulting with counsel representing the Authority in connection with such claims and lawsuits, it is the opinion of management and counsel that the disposition or ultimate determination of such claims and lawsuits will not have a material effect on the financial position of the Authority. No claim liabilities are reported at year end.

The Authority has an agreement with an engineering firm to perform preliminary work on a wastewater system improvements project. The amount of the contract is not to exceed \$674,013.

The Authority has incurred expenses in connection with the Lake Columbia project, however the amount is not due and payable until the completion of the project and after the expenses are approved by the Texas Water Development Board.

NOTE 11 – CONCENTRATIONS

During the year the Authority sold 22.2% of sewer fees to Idlewood WC & ID, 21.34% to Department of Aging & Disability Services, 15.67% to City of Palestine and 15.12% to City of Athens.

ANRA/Holmwood Utilities

TSI-1 SERVICES AND RATES

FY 2015

1. Services provided by the Utility during the Fiscal Year:

<input checked="" type="checkbox"/>	Retail Water	<input type="checkbox"/>	Wholesale Water	<input type="checkbox"/>	Drainage
<input checked="" type="checkbox"/>	Retail Wastewater	<input type="checkbox"/>	Wholesale Wastewater	<input type="checkbox"/>	Irrigation
<input type="checkbox"/>	Parks/Recreation	<input type="checkbox"/>	Fire Protection	<input type="checkbox"/>	Security
<input type="checkbox"/>	Solid Waste/Garbage	<input type="checkbox"/>	Flood Control	<input type="checkbox"/>	Roads
<input type="checkbox"/>	Participates in joint venture, regional system and/or wastewater service (other than emergency interconnect)				
<input type="checkbox"/>	Other (specify): _____				

2. Retail Service Providers

a. Retail rates based on 3/4" meter

	Minimum Charge	Minimum Usage	Flat Rate Y/N	Rate per 1,000 Gallons Over Minimum	
				Usage Levels	
Water	\$42.81	3,000	N	\$1.92	3,001 to 10,000
				\$2.50	10,001 and up
				\$ -	
				\$ -	
Waste	\$43.52	3,000	N	\$3.44	3,001 to 7,000
Basic Service Fee					
Utility employs winter averaging for wastewater usage?				Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
Total water and sewer charges per 10,000 gallons usage (including surcharges)					\$113.53

b. Water and Wastewater Retail Connections:

Meter Size	Total Connections	Active Connections	ESFC Factor	Active ESFCs
< 3/4"	177	166	x 1.0	166
1"	5	5	x 2.5	13
1 1/2"			x 5.0	
2"			x 8.0	
4"			x 25.0	
Total water	182	171		179
Total wastewater	166	164	x 1.0	164

* Number of connections relates to water service, if provided. Otherwise, the number of wastewater connections should be provided.

3. Total Water Consumption During the Fiscal Year:

Gallons pumped into system:	12,679,872	Water Accountability Ratio:
Gallons flushed from system:	146,735	
Gallons billed to customers:	10,437,000	<u>83.5%</u>

4. Standby Fees:

Does the Utility have Debt Service standby fees? Yes No X
 If yes, Date of the most recent Commission Order: _____

Does the Utility have Operation and Maintenance
 standby fees? Yes No X
 If yes, Date of the most recent Commission Order: _____

5. Location of District:

County in which Utility is located: Jasper County
 Is the Utility located entirely within one county? Yes X No
 Is the Utility located within a city? Entirely Partly Not at all X
 City in which Utility is located: N/A
 Is the Utility located within a city's extra territorial jurisdiction (ETJ)?
 Entirely X Partly Not at all
 ETJs in which Utility is located: City of Jasper
 Are Board members appointed by an office outside the Utility?
 Yes X No
 If yes, by whom? Governor

If the Texas Water Development Board (TWDB) serves as **revenue** bondholder for your entity, and the information requested here is not included in your annual audit, please complete and mail this worksheet to: Audit and Funds Management Division, TWDB, P.O Box 13231, Austin, Texas 78711-3231

ISSUER'S NAME: Angelina & Neches River Authority/Neches Compost Facility

FISCAL YEAR ENDING: August 31, 2015

The Required Ultimate Balances and the Required Present Balances shown below are per the current bond ordinances authorizing the **currently outstanding First Lien and Junior Lien Revenue Bonds**, respectively, in the fiscal year referenced above. The Actual Present Balances, which are maintained in separate accounts of the Issuer as per the bond covenants, appear as restricted cash and investments in the Issuer's audited financial statements for the fiscal year referenced above.

	INTEREST AND SINKING FUNDS	RESERVE FUNDS
FIRST LIEN BONDS		
REQUIRED ULTIMATE BALANCE		\$ _____ -
REQUIRED PRESENT BALANCE (at FY end)	\$ 5,219.00	\$ _____ -
ACTUAL PRESENT BALANCE (at FY end)	\$ 22,178.00	\$ _____ -
JUNIOR LIEN BONDS		
REQUIRED ULTIMATE BALANCE		_____
REQUIRED PRESENT BALANCE (at FY end)	_____	_____
ACTUAL PRESENT BALANCE (at FY end)	_____	_____

The above is true and correct to the best of my knowledge
